

# IMPORTANT U.S. RECALL NOTICE

## 2008 Cannondale Scalpel 100

January 2008

In cooperation with the U.S. Consumer Product Safety Commission Cannondale Bicycle Corporation is conducting a recall. U.S. model bicycles subject to recall are:

<b>Model year</b>	<b>Model name</b>
2008	Scalpel Frameset
2008	Scalpel Team Bicycle
2008	Scalpel 1 Bicycle
2008	Scalpel 2 Bicycle

We are aware of the serial number of each of the bikes which are subject to recall. In December 2007 we advised each US retailer of all serial numbers that are subject to recall. Cannondale has shipped, or will ship, at no charge to you, a replacement frame to these retailers.

This recall is a result of discovering that the chainstays in these frames may be improperly bonded. There is a risk that the chainstays may separate from the rear dropouts, with risk of an accident or injury. Please do not ride your bike until the frame is replaced.

**In the US, if you wish to confirm whether your serial number is subject to recall, or have any questions please contact Cannondale Customer Service at 1-800-BIKE-USA (245-3872).**

**In Europe, see European recall notices or call the Service Desk at +41 61 487 93 80**

We apologize for the inconvenience and thank you for your cooperation in this important safety program.
